DAILY PUBLIC LEDGER—1894.

MAYSVILLE, KY., WEDNESDAY, MARCH 16, 1904.

ONE COPY—ONE CENT.

NOT MUCH DIFFERENCE.
The candidate will soon come forth
And shake you by the hand,
And show you what great plans he has
To benefit the land.

And when he gets the place he seeks,
You'll note with mild dismay
The world he promised to reform
Lies on the same old way.

—Washington Star.

Street Commissioner Ben Smith says if THE LEDGER will just hold its breath and the other fellows hold their breeches and not bust their belly bands, and a few sunny days make their appearance, he will change our quagmire roads into metropolitan streets. Now let up and give the old bald-headed sinner an opportunity to make good his word, and if he don't,—well.

It is a mystery what the farmer is doing with the big wads of money he is receiving for the tobacco hauled to this city. There has been more of the weed sold here this season than was ever known in the history of the city, and less money spent with our merchants. What is the farmer doing with his money—putting it in bank or sinking it in his socks? He isn't spending any.

STEAMBOAT ACCIDENT

The Ben Hur Crippled at Ripley By Yesterday's Wind

The steamer Ben Hur of the Independent Line met with a serious accident on her up trip yesterday as she was leaving the wharf at Ripley. The landing at that place is hedged in by coal floats, both above and below the wharfbost.

The wind was blowing a gale on the river all day yesterday, and as the Hur was rounding out she was caught broadside and blown with great force against a loaded barge and ripped a hole in her hull just above the water line and tore a considerable portion of her guard away aft of the cookhouse.

The boat was in considerable danger of sinking until the damage had temporarily been repaired. She passed here in a dilapidated condition and in great distress.

NOT CAUGHT YET

Joseph Kelch, Murderer of Miss Mathews, Still at Large

There was a report here yesterday noon that Joseph Kelch, supposed murderer of Miss Isa Mathews near Ripley, had been captured at Latonia; but this probably grew out of the fact that he had acquaintances there, and that officers were searching that locality.

He is still at large. The Coroner's Jury decided that the girl died from strangulation. There were no marks on the body save a slight scratch over the eye.

She was thrown into the well head first, and when discovered but one foot was visible above the water. The body was extricated with difficulty.

Miss Mathews was in Ripley Saturday and attempted to purchase a revolver at a hardware store, but could not find the proper size. She was heard to remark that she was afraid of a man.

Parties in this city who knew both Kelch and Miss Mathews say the former is a green, innocent-looking farmer's boy, while the latter was a handsome, estimable young woman.

Mrs. L. V. Davis spent an entire week in New York making selections, and the new Spring Millinery gets its first important showing Thursday, March 31st.

Commissioner of Internal Revenue Yerkes has sent to the Ways and Means Committee of Congress, with a recommendation for its passage a bill that will permit the unrestricted sale of unstemmed tobacco in the natural leaf without tax or charge of any kind.

The House Monday passed the bill Senator Byron introduced in the Senate appropriating \$20,000 for the erection of a monument to William Goebel in the Statehouse yard at Frankfort. It will probably not be erected until the Capitol is completed.

Well Again.

The many friends of John Blum will be pleased to learn that he has entirely recovered from his attack of rheumatism. Chamberlain's Pain Balm cured him after the best doctors in the town (Monmouth, Ind.) had failed to give relief. In Chicago there is an organization of several thousand business men who are pledged not to employ cigarette smokers. This "Union" ought to become epidemic.

THE Editors down at Louisville of The Times and The Post are spattering each other with mud. It's fortunate that they do not have Maysville's streets to draw on—there would be a double drowning.

WHEN Mister Bristow's "report" was sprung on Congress, Representative HILL, a Connecticut Republican, waiving his constitutional protection, denounced Mr. Bristow as "A liar and a scoundrel!" The Kansas Jayhawker had not replied at last accounts.

Russia having torn down her building at the St. Louis World's Fair because some Americans sympathize with the Japs, the fact that an amateur Debating Society at Covington has decided that Russia is in the wrong in her fight with Japan, is enough to make the Czar blow-off his whiskers off.

Russia has shown marked ability in playing the baby act. She has actually torn down her building at the St. Louis World's Fair, and refuses to play on Uncle Sam's cellar door. No doubt she thinks that will cripple the big show; but if Count Knockemstiff will just come over he'll be surprised at what a small hole the Russian Building left.

THE heirs of GEORGE WASHINGTON have sharpened up their old hatchets and will soon bring suit to recover nearly all the ground that Philadelphia and Washington are built on, besides miles and miles of land in Georgia and Kentucky. Next thing you know, some of the descendants of old man ADAM will hire a few briefless lawyers to bring suit for the earth.

ABOUT the only thing that has developed so far in the REED SMOOT investigation in the Senate is that some of the Mormon Poobahs still support and live with the numerous wives they had previous to the prohibition of plural marriages. There is no evidence whatever that any plural marriages have taken place since the prohibitory law went into effect; nor that Mr. Smoot ever had but one wife, or that he even indorses polygamy. Just how all this "fuss and feathers" can affect Mr. Smoot's right to a seat in the Senate is a mystery; unless the purists demand that their own Pastor be "fired" simply because some member of his congregation turns out to be a rascal.

Political Pickings

SHADES OF WEAVER, YOUTSEY & CO.

Cynthiana Democrat.

The case of A. C. Adams, the self-confessed perjurer in the Jett-White trial, is a singular one. He came to Cynthiana ready to confess his guilt and go to the Penitentiary. After his statement to the Jury implicating certain men in the assassination of Marcum, his Attorney changed the plea of "guilty" to "not guilty," and although no testimony had been heard on either side, the Jury brought in a verdict of guilty and fixed the punishment at one year in the Penitentiary. A convicted perjurer cannot give testimony in any subsequent proceedings, and the prosecution, who had at first desired Adams' conviction and plead for a year in prison, turned about and moved for a new trial, after it was realized that Adams could not be used as a witness against other men indicted on his evidence before the Grand Jury. The new trial was granted, and Adams, desiring to go to the Penitentiary, is turned loose on his own recognizance, and remains in Cynthiana because he is afraid to return to his home and family in Breathitt county. It is a queer turn where the defense tries to convict a man and the prosecution desires to acquit him. Stranger than fiction are the things that come out of the mountains.

Stop... Coughing!

This is not a command—only a suggestion. We suggest that you stop that slight cough before it becomes too late. Often three people say "Oh, it is only a slight cough; it will soon wear off." The cough grows worse, and they have to resort to strong medicine and perhaps have a long sickness. If in the beginning they had used a mild remedy they would have saved themselves and others a great deal of trouble and worry. There is nothing so annoying as a hacking cough; it not only disturbs the one who is coughing, but it disturbs and annoys every one who is in hearing. To those who are troubled with a cough we suggest a bottle of...

REDHOT GAME

Y. M. C. A. Have a Jolly Contest at Basket Ball Last Night

The boys at the Y. M. C. A. had a warm and hilarious old time last night.

It was the evening for the Basket Ball contest and a goodly crowd was present to cheer and give vigor to their respective champions.

The forces arrayed against each other were captained on the one side by Frank King and on the other by Samuel Daugherty.

It was a stiff, bang and get there Johnny from the tap of the drum to the shout of victory.

It was a stubborn fight all along the line, the teams being well balanced and ably directed by the Captains of the opposing sides.

Although defeated by a score of 19 to 12 Captain Daugherty was not disgraced.

Mr. Leon Squires gave general satisfaction as Referee, while Robert Raap enacted the part of Umpire to the Queen's taste.

Do You Want Strength?
If you want to increase your strength you must add to and not take from the physical. In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up strength in the human system. It is pleasant to the taste and palatable, and the only combination of ingredients that will digest the food and enable the system to appropriate all of its best strength. Sold by all druggists.

A NOTED WOMAN, COUSIN OF LATE U. S. PRESIDENT ZACHARY TAYLOR.

76 Years of Age, Recommends Vinol for Old People.

Mrs. Sarah J. Windrom of 429 W. Erie St., Chicago, a member of one of the most distinguished families in the country, cousin of Zachary Taylor, 12th President of the U. S., and grandniece of Alexander Hamilton who signed the Declaration of Independence, writes:

"Vinol is a godsend to old people. I am 76 years old, but I feel active and well today, thanks to the vitalizing effects of Vinol.

"My appetite is all that could be desired. I sleep well, and my mind is clear, and I am interested in the affairs of life as I was fifty years ago.

"When I was young cod liver oil was dispensed in a greasy, unpalatable form, and it fairly gagged me to get it down. Vinol is so different, palatable and nourishing to impoverished blood.

"I feel so much stronger, both mentally and physically, since I used Vinol that I feel it my duty, as well as a pleasure, to recommend Vinol as the finest tonic I ever used in my life."

MRS. SARAH J. WINDROM.

Such words of praise from a person of such high standing must be accepted as unquestionable proof of the superiority of Vinol.

Do you wonder that our Vinol has such a strong hold upon the esteem of doctors and patients? We know of nothing else that will accomplish such wonderful results; and, remember, Vinol is not a patent medicine.

There are hundreds of old people in this vicinity who need just such a strength-maker and tissue-builder as Vinol. Their blood is thin and sluggish—Vinol will enrich and quicken the blood and build up the system. It is so much better than whisky and strong stimulants, which always have a bad after effect and weaken and break down. There is nothing in the world so good for the weak, the ailing or the run-down system as to cure a hanging-on cold or hacking cough as Vinol and because we know so well it will do we are always ready to re-try it. Try it on our guarantee. J. C. Pecor, Druggist.

In a saloon at Owingsville, Solomon Wells, of a prominent family, was fatally shot by Peter Purgram.

Columbus (O.) saloon-keepers have agreed to discontinue serving free lunch.

A dispatch to Reuter's Telegram Company states that persistent rumors are current there that the Russian fleet left Port Arthur after the attack by the Japanese on March 10th and is now endeavoring to reach Vladivostok.

Pete Purgram shot and mortally wounded Cole Wells in D. N. Young's saloon in Owingsville Monday night. Purgram, who was drinking, became angry with Wells. The latter finally told Purgram that he was not afraid of him. Purgram then stepped up to Wells, slapped him in the face, at the same time drawing his pistol and firing.

James Hargis, Senator Alex. Hargis, R. F. French and Ed Callahan have filed separate answers to the damage suit of Mrs. Ahrelia Marcum for \$100,000 for the murder of her husband, James B. Marcum. They deny the jurisdiction of the Court, as the killing took place at Jackson. They also deny the charges of conspiracy.

The distinguishing features of the session of the Legislature that closed yesterday at Frankfort have been the freedom as a whole from the influences of the lobby, the number of big appropriations passed, which practically drains the State Treasury of its \$2,000,000 surplus, and the small amount of politics indulged in as compared with past sessions. The Republicans found themselves in a hopeless minority, and the Democrats having no one to quarrel with, only stirred up an anti-administration row, which did not reach the exceedingly bitter partisan stage. Among the bills left on the Governor's table at the close of the session and which the Governor may hold, if he so desires for as long as twenty days, are several that may be vetoed. The bill creating the county of Thorne, if it becomes a law at all, it is believed, will do so without the Governor's signature, and even this is not certain. The breach between the Governor and the Lieutenant-Governor is wide, and besides this there are a number of party leaders who think it had policy to be creating more pauper counties, just in order to compliment this or that public man.

painful periods, flooding, miscarriages, piles,
all irregularities, liver, kidney and bladder
troubles and regulates the change of life. It

of that fearful ordeal. It is the greatest blessing
of the age for weak and suffering women and

out their lives in misery and pain.
Mrs. Effie Bates, Muncie, Ind., A. F. D. No. 1,
says: "When a girl I suffered death every month
when I came around, even my hands seemed to
swell, and I seemed almost blind at times and I
was irregular. I would feel as though I would
fall backwards and didn't feel safe by myself at
my monthly periods. I used some few bottles of
Zoa Phora and that brought me regular and so
that I didn't suffer scarcely any and the queer
feeling left me."

Gage 27.3 and falling.

The Henry M. Stanley was the Pomeroy
packet last night.

The Queen City was up last night for Pitts-
burgh with a good trip.

The Ohio is falling at all points between
Pittsburgh and Cincinnati.

The Sam Clark, Tom Rees, Ironsides and
Enterprise have been windbound at Silver
Grove.

The Coal City with 4 barges and 5 flats; the
Frank Gilmore with 1 boat, 6 barges and 1 flat,
and the Robert Jenkins, 2 barges and 6 flats,
left Pittsburgh Monday for the South.

The Virginia is now on the Cincinnati Marine
Ways for repair. She has a hole in her side
from the effects of a slight collision several
weeks ago, sustained while making a landing.

The Enterprise, Ironsides and Pacific No. 2
will return to Pittsburgh with empties from
Cincinnati after delivering their coal. The
Defender and Tom Rees go through to Louis-
ville.

A big towboat taking a tow from Louisville
to New Orleans backed more than she shoves.
The tow is handled by the backing of the big
wheel throwing a strong current against the
rudders. It is only in a long, straight piece of
of river that the tow is shoved ahead and
steered by the rudders of the towboat.

Colds Cause Pneumonia.

One of the most remarkable causes of a cold, deep
seated on the lungs, causing pneumonia, is that
of Mrs. Gertrude E. Fomer, Marion, Ind., who
was entirely cured by the use of One Minute Cough
Cure. She says: "The coughing and straining
so weakened me that I ran down in weight from
148 to 92 pounds. I tried a number of remedies to
no avail until I used One Minute Cough Cure.
Four bottles of this wonderful remedy cured me
entirely of the cough, strengthened my lungs and
restored me to my normal weight, health and
strength. Sold by J. Jas. Wood & Son, Drug-
gists."

HEADACHE

for the last twenty-five years and never found any
relief until he began taking your Cascarets. Since
he has begun taking Cascarets he has never had
the headache. They have entirely cured him.
Cascarets do what you recommend them to do. I
will give you the privilege of using his name."

STRANGE CASE

Woman Married Twice to Soldier
Granted Substantial Pension

An unusual condition of affairs has been
made public in Jackson county, Ind., by the
recent granting of a back pension amounting
to \$2,000, a monthly income of \$8 for herself
and \$2 per month for each of her three minor
children, to Mrs. Mary R. Young. Mrs. Young
has had the experience of twice being married
to the same man.

Richard Young was a member of Company
H, Thirty-fourth Ohio Regiment, during the
Civil War, and at the conclusion of the strug-
gle he returned to his home in Bracken county,
where he married the daughter of a neigh-
boring farmer, but they lived together only a short
time and separated.

Young supposed his wife had procured a di-
vorce and under that belief he later married a
schoolmate at Aberdeen.

His first wife was then living with relatives
in Pendleton county and she was aware of his
marriage to wife No. 2.

Upon discovering no divorce had been se-
cured prior to his second venture he immedi-
ately separated from wife No. 2, and set about
having the papers granted at once.

After due time, in June, 1872, he was re-
married to wife No. 2.

Young died in 1892, and when his widow ap-
plied for a pension the peculiar state of affairs
became known. It was discovered from the
records in Bracken and Pendleton counties that
the divorce from his first wife was not granted
until 1873, a year after his second marriage to
wife No. 2.

This disclosure delayed the granting of the
pension, pending an investigation, until a few
days ago.

Trials of Motherhood

305 Broad Street,
PHILADELPHIA, PA., June 12, 1903.

I suffered for nine years with ovarian troubles making life a burden to
myself as well as to my family. During that time I had two miscarriages
and although we longed for a child to bless our home this seemed impossi-
ble. I had constant racking bearing-down pains in the pelvic organs and a
pulling through my limbs with frequent headaches. I felt sick at my
stomach and vomited frequently and no medicine helped me until I tried
Wine of Cardui.

Then my general health improved, the pains gradually lessened and
after six weeks I was well. I am now the happy mother of a boy eighteen
months old and my husband joins me in sending heartfelt thanks to you
for your splendid medicine.
Without it I would have been a
childless, instead of a happy
and well mother.

Chaplain, St. Andrew's Association.

WINE of CARDUI

Wine of Cardui is the most successful menstrual regulator. By
regulating menstruation, Wine of Cardui banishes inflammation
from the entire female organism and the strengthened ligaments
bring the organs back to their proper place. This is what Wine of
Cardui did for Mrs. Nirdlinger. It banished the racking pains and
burning inflammation and brought her relief. She was restored to
health and strength and gives Wine of Cardui the credit of making
her able to become a happy mother. This medicine equips a woman
for every duty of wifehood and motherhood. There are many suf-
fering women who think that health can never be theirs because they
cannot secure the services of a great specialist, but we want to say
right here that while Mrs. Nirdlinger lives in Philadelphia, a great
medical center, she depended on Wine of Cardui for a cure and she
was cured. This same medicine is within your reach. Will you
take it?

All druggists sell \$1.00 bottles Wine of Cardui.

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

"DO IT TODAY."
The time-worn injunction, "Never put off 'til tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Takescure reliably remedies for it TODAY and let that remedy be Dr. Halsey's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble. Now trial bottles, 25c, regular size, 75c. For sale at Henry W. Ray's Dispensary.

Wakeful Children.
For a long time the two-year-old child of Mr. P. L. McPherson, 50 N. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by J. Jas. Wood & Son.

READ IT THROUGH.
"Would Spoil This Story to Tell It in the Headlines."
To use an eighteenth century phrase, this is an "over true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John K. Harmon of Mella Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by J. Jas. Wood & Son.
